

Team **Science**
and Technology

Which type of citizen scientist are you?

Want to take this quiz online? Visit www.scivil.be/en/cs-test!

Scivil

There's a **citizen scientist** in all of us.

Are you a nature lover, stargazer, weather expert, tech genius,
environmental activist, bookworm, guardian angel,
or traffic virtuoso?

Take the quiz and discover your type.

Choose your team:

Do you love
science and technology?

Are you fascinated by
culture and society?

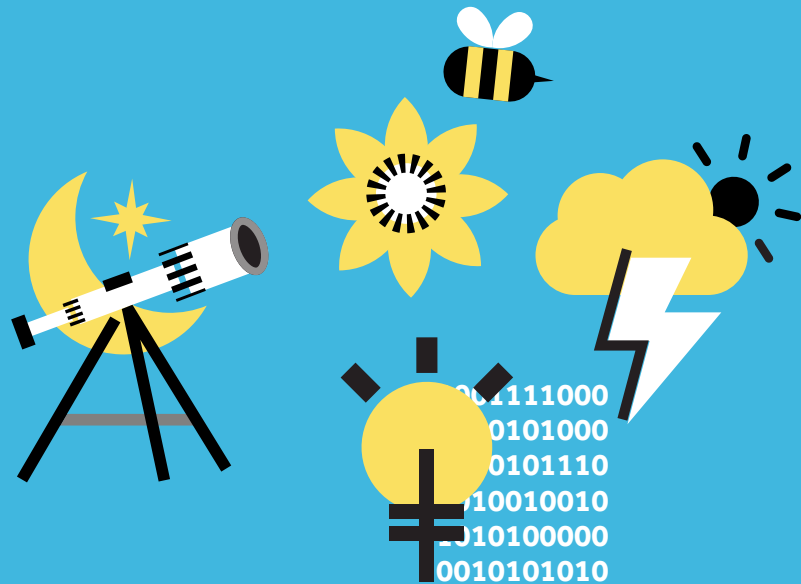

Team Science and Technology

Are you a curious tech whiz or a true-born researcher?
This booklet will help you discover what type of citizen scientist you are in the field of science and technology!

Read each question carefully and pick the answer that suits you best.
Record your answers on the next page, count which letter you chose most often and find out which profile fits you best!

Curious about your profile in the field of culture and society?

First thing
I do in the
morning:

- A.** Walk the dog
- B.** Check the weather forecast
- C.** Meditate
- D.** Scroll through social media

6.
This job
appeals
to me:

- A.** Zookeeper
- B.** Weather presenter
- C.** Astronaut
- D.** Software developer

7.
I'd love to
(re)watch
this film:

- A.** Jurassic World
- B.** Ice Age
- C.** Star Wars
- D.** The Matrix

8.
I value
this trait
in others:

- A.** Love for animals
- B.** Practical and prepared
- C.** Dreamy
- D.** Perfectionist

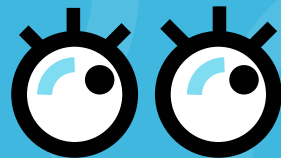

9.
**My ultimate
dream holiday:**

- A.** Camping in nature
- B.** Iceland
- C.** La Palma
(home to giant space telescopes)
- D.** Silicon Valley

10.
**This quote
suits me:**

- A.** Nature is my home
- B.** After rain comes sunshine
- C.** Always reach for the stars
- D.** Today's science,
tomorrow's tech

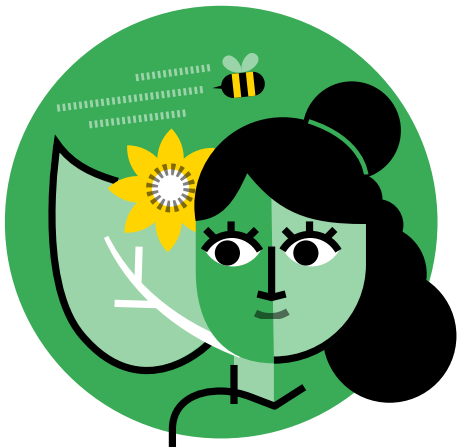

”

**Curious about
the results?**

You picked A the most Nature Lover

You know better than anyone how to connect with nature. You find peace and joy in the simple beauty of the world around you. Whether it's watching birds, walking through lush forests, or enjoying breathtaking sunsets, nature is your refuge. You feel happiest when you are surrounded by the wonderful marvels of Mother Nature.

You picked B the most Weather Expert

You always know what the weather has in store today. Whether the sky is clear blue or filled with ominous clouds, you feel most alive when you're immersed in the dynamic forces of the weather. Every shift in temperature, every gust of wind, every raindrop is a source of wonder. Like a true meteorologist, you thrive on the endless possibilities and complexities of the climate.

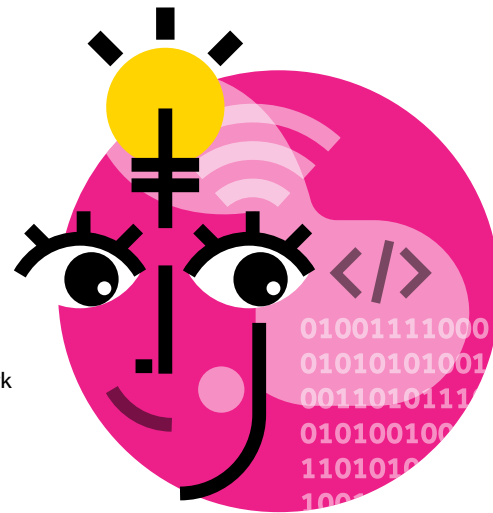

You picked C the most **Stargazer**

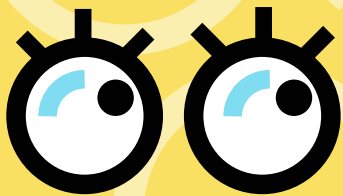

You're a cosmic adventurer, driven by an insatiable curiosity about the secrets of the cosmos. With a telescope as your guide and a heart full of wonder, you immerse yourself in the enchanting world of stars and planets. Time and again, you're amazed by the mysteries the universe holds.

You picked D the most **Tech Genius**

You draw energy and satisfaction from the digital world. Working with complex systems and technologies gives you a thrill. Whether it's cracking coding puzzles, coming up with innovative software solutions, or building robust network infrastructures, IT is your playground. You feel most in your element when you're challenged by the endless possibilities of technology.

Team **Culture**
and Society

Which type of citizen scientist are you?

4.
In my
free time,
I enjoy:

- E.** Volunteering
- F.** Reading
- G.** Spending time with loved ones
- H.** Bike rides

5.
This issue is close to my heart:

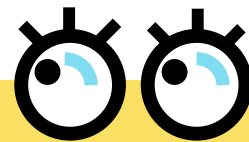

- E.** Ocean pollution
- F.** Protection of world heritage
- G.** Accessible healthcare
- H.** Road safety

6.
First thing I do in the morning:

- E.** Take out the rubbish
- F.** Read the newspaper
- G.** Breakfast with family
- H.** Plan my route to work

7.
My ideal way to spend time:

- E.** An upcycling workshop
- F.** A museum visit
- G.** Volunteering
- H.** A city walk

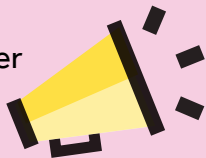

8.
I value this trait in others:

- E.** Tidy and organised
- F.** Great storytellers
- G.** Empathetic
- H.** Changemakers

9.
**This job appeals
to me:**

- E.** Environmental advisor
- F.** City guide
- G.** Doctor
- H.** Police officer

10.
**This quote
suits me:**

- E.** There is no Planet B
- F.** You live through
your books
- G.** Self-care is the key
to happiness
- H.** It's about the journey,
not the destination

**Curious about
the results?**

You picked E the most **Environmental Activist**

You're a true fighter for our planet. With determination and passion, you work towards a more sustainable future. Whether you're promoting eco-friendly practices, organising action campaigns, or spreading awareness, you show that your heart belongs to Mother Earth. Your commitment inspires others to stand up for the protection of our precious natural resources and to fight pollution and climate change.

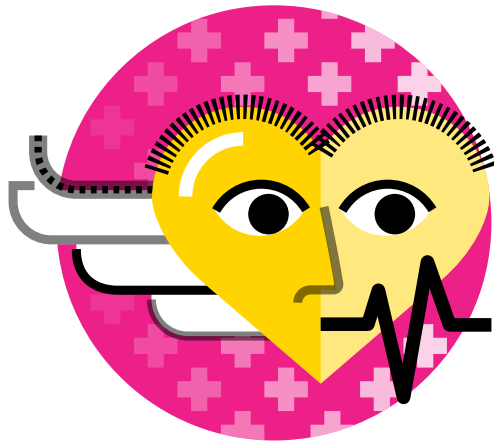

You picked F the most **Bookworm**

You're like a spellbound explorer in the world of words and stories. You find comfort in gripping novels, delving into historical events, or discovering new cultures. To you, literature, history and culture are treasure chests full of imaginative gems. You feel most inspired when surrounded by the magic of the written word.

You picked G the most **Guardian Angel**

You instinctively know how to put people at ease, and the well-being of your family and friends is your top priority. As a guardian angel, you're brimming with empathy and compassion, always striving for a better life for yourself and those around you. Doing good gives you great fulfilment, and helping others is something you truly excel at.

You picked H the most **Traffic Virtuoso**

You're well aware of the responsibilities that come with road safety, and mobility is extremely important to you. You enjoy peaceful walks in the city or bike rides along the water. For you, it's essential that these outings run smoothly and that the streets are well maintained. Road safety is your number one priority, so that everyone can take to the road with peace of mind.

Ready to get started?

Now that you've discovered what type of citizen scientist you are, it's time to put that curiosity into action! Find a citizen science project that suits your interests on one of these platforms:

1. eu-citizen.science
2. scistarter.org
3. zooniverse.org
4. iedereenwetenschapper.be (mostly in Dutch)
